

### Coaches Code of Conduct

In consideration of my participation in Michigan USA Wrestling and Michigan Women's Wrestling, I, \_\_\_\_\_, agree that I shall at all times, while representing Michigan USA Wrestling and Michigan Women's Wrestling (MWW), live up to the standards of conduct for the program. If I, at anytime during the trip break these rules, or in any way bring disgrace upon my state, community, school, or Michigan USA Wrestling and Michigan Woman's Wrestling, by my conduct, I understand and agree that the privilege of coaching in the remainder of the trip may be suspended. I also understand that if these guidelines are not followed, I am subject to being dropped as a coach from the team.

### Coaching Expectations include:

1. Coaches must travel as a team to and from Michigan. Unless prior approval is made with the Woman's Director and Head coach.
2. Coaches must be a positive role model and follow the rules, expectations, and itinerary established for the participants.
3. Coaches must wear Team Michigan Gear during the event.
4. Coaches should coach from a positive perspective while providing constructive criticism in an appropriate manner and refraining from swearing and inappropriate language.
5. Coaches need to be available and willing to coach any and all MWW participants.
6. Coaches need to handle any issues or concerns with athletes, parents, other coaches, or the Woman's Director in private and in an appropriate manner away from the athletes and other adults. BE Professional!
7. Hotel/Dorm rooms must be kept clean & neat. Any damage will be assessed to you by authorized personnel, and will be charged to you for the repair and/or replacement costs.
